We are happy to be offering fun summer camp experiences for your children ages 3-5 to enjoy at our school, adjacent to the UNC School of the Arts campus in downtown Winston Salem. Each camp session will run from Monday-Friday, and will be from 9:00 to 12:00, with an optional Lunch Bunch from 12:00-1:00 daily. You're invited to enroll in one or both programs.

Othella Johnson, Director

**July 19-23** will be "ARTS IN ACTION" where we will walk to UNCSA for a dance class, meet a guest musician, and create our own art all while having fun in a developmentally appropriate setting for your imaginative child.

**July 26-30** will be "FARM & FROLIC" where children will meet farm animals, garden, do farm related projects, and end the week with a farm party celebration.
